

Our Policy

Logic Services are fully committed to the sustainability & protection of the environment.

We believe that our corporate responsibility goes beyond our proprietary borders and we endeavour to work with our clients and our suppliers to develop our business in a sustainable manner.

Every effort is made to conserve resources throughout all our operations

Objectives

- Comply with all applicable environmental laws and regulations
- Environmental consideration is incorporated in all our planning, strategy and decision making
- Comply with all client & supplier environmental requirement
- Ensure all employees are trained and kept aware of current environmental policies and practises
- Protection of the environment during all construction work
- Practise recycling and use of environmentally friendly products

Responsibilities

The Directors of Logic Services are responsible for establishing and implementing the environmental policy.

It is senior management's responsibility to ensure the implementation of the environmental policy to all employees, contractors, vendors & suppliers, who in turn are equally responsible for the adherence of this Policy.
