

Objectives

Health and safety is fundamentally important to Logic Services. We believe that all those conditions and work practices that lead to illness or occupational injury are preventable. Our ultimate objective is to achieve 'no incident, no accident, no injury'.

Strategy

- Placing health and safety first and foremost over all activities, without exception
- Train all personnel in health and safety matters, this includes on and off-the-job health and safety training.
- Supply all personnel equipment and work places that are at a minimum up to relevant standards if not exceeding those standards
- Ongoing monitoring of our safety systems and procedures
- Ensure that all personnel are involved in ongoing development and improvement of safety systems.
- Comply with all client and supplier safety requirements

Responsibilities

The Directors of Logic Services are responsible for establishing and implementing the health and safety policy.

It is senior management's responsibility to ensure the implementation of the health and safety policy to all employees, contractors, vendors & suppliers. Each person is responsible for the adherence of our health and safety policy and the health and safety of others.
